

## The Story of Littleville Fair:

First held in 1922. Two years later (1924) we became the Community Fair Association of Chester, Chester Hill and Littleville Inc., a 501(c)(5), agricultural non-profit organization.

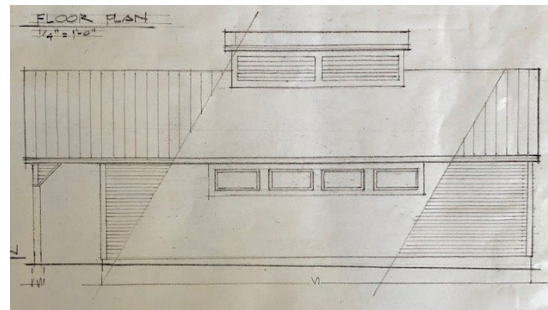

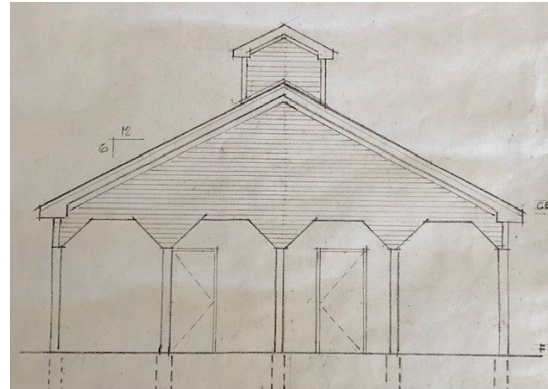

In 2022 we received the status of a 501(c)(3) organization. We are comprised entirely of VOLUNTEERS that plan, manage, and operate a country fair held each August at the Littleville Fairgrounds in Chester, MA.

We host family-friendly agricultural, craft, and country events and performances for three days of fun during the fair, and we also organize and run fundraisers during the rest of the year.

The fair features many livestock, vegetable and floral exhibits, and is supported by a great team of over 50 volunteers. Thank you to Fair President Moe Boisseau for his leadership and welcoming us to the fair, as well as Treasurer Jim Burke for the tour of the fairgrounds and informative conversation." JL
